How to download LibKey Nomad

For Edge browser

LibKey Nomad is a browser extension linking you to online content in one click. Integrated with our national and local content, LibKey Nomad gives you quick and easy access to our trusted resources.

It is now available on all trusted computers and laptops. To download and use it, follow the steps below.

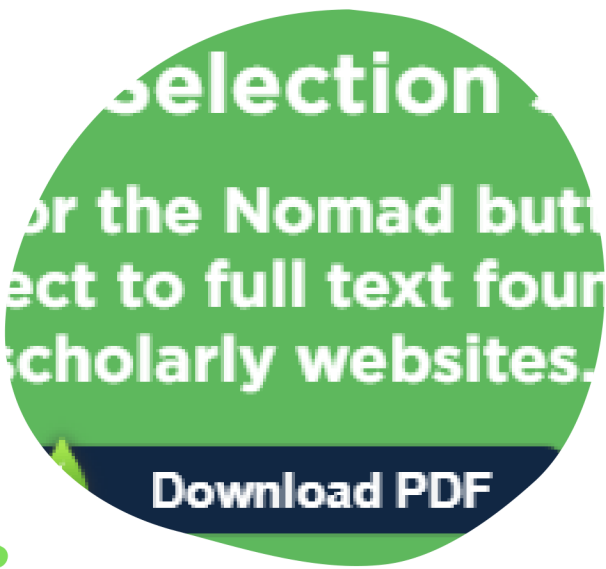

Step 1: Download Extension

Click on [this](#) to download the extension on your computer/laptop.

Step 2: click on add extension

Click on 'add extension' in the pop-up window.

Step 3: Select organization

Type 'Somerset ' in the field 'Selection organization' and choose 'Somerset NHS Foundation Trust'.

Step: 4 Library selection saved

You are now ready to search for trusted content. A pop-up logo with 'Provided by Somerset NHS Foundation Trust' should appear on the bottom left of your browser. Click on it to either access full-text or request it.
