Get the **right care, closer to home in Shepton Mallet**

Stay Well This Winter

Choosing the right NHS service helps you get the care you need quickly and ensures emergency services are available for those who need them most.

If you're not sure which service is right for you, **contact NHS 111 first:**

Online: 111.nhs.uk **Call: 111**

NHS 111 is available 24/7, and can assess your symptoms and direct you to the most appropriate service, including booking a slot at an Urgent Treatment Centre, pharmacy, GP service or emergency department if needed. They can also advise on current opening times and waiting information.

Shepton Mallet Urgent Treatment Centre (UTC)

Before attending Shepton Mallet UTC, visit 111.nhs.uk or call 111.

Shepton Mallet Community Hospital: 01278 436555

Open seven days a week, 8am to 9pm, last UTC patient admitted at 8pm. Opening hours may vary, so always call 111 for advice before attending. **X-ray services:** Monday to Friday: 9am to 4pm.

What can the UTC help with? The UTC can assess and treat a wide range of urgent but non-life-threatening conditions, including:

- Sprains and strains
- Suspected broken bones
- Cuts and wounds
- Minor burns and bites
- Minor head injuries
- Chest infections
- Throat infections
- Eye infections
- Urinary infections
- Emergency contraception.

What to do when you arrive? If you arrive at an urgent treatment centre without calling NHS 111 first

You should use a digital check-in screen in the waiting area to answer a short, guided series of questions about your symptoms and the reason for your visit. If you have an appointment booked by NHS 111, please go straight up to the desk.

In an emergency

Call 999 or go to your nearest ED / A&E at Musgrove Park Hospital, Taunton, or Yeovil Hospital immediately if someone has:

- Signs of a heart attack
- Signs of a stroke
- Severe breathing difficulties
- Lost consciousness
- Serious injury or major trauma
- Any life-threatening illness or injury.

Pharmacy First Your local pharmacy in Shepton Mallet and the surrounding area can provide advice and treatment, including prescribing antibiotics, for many common conditions without the need for a GP appointment.

Pharmacists can help with:

- Sore throat
- Earache
- Sinusitis
- Impetigo
- Shingles
- Infected insect bites
- Some urinary tract infections.

You can find a list of local pharmacies by visiting:
